DEA Bibliography of recent four decades (1978-2016)

This is a supplement to the following paper:

Emrouznejad A. and G. Yang (2017) A survey and analysis of the first 40 years of scholarly literature in DEA: 1978–2016, Socio-Economic Planning Sciences, http://dx.doi.org/10.1016/j.seps.2017.01.008.

Should readers happen to find any error(s) in this list, please feel free to report them to the authors, see details at
